SIR,

Subject Acquisition of certain properties in Kemmannagundi Road (Rail Road) 7th Division, Bangalore City, for extension of City Octroi Office and improving the road

With reference to the Government Notification No L 6563/6 M 1-55-48 dated 2nd September 1955 authorising me to hear objections under Section 5 (A) Land Acquisition Act on the above subject, I write to state that notices under Section 4 Land Acquisition Act were issued and served on the respective owners of the properties calling for objections under Section 5 (A) Land Acquisition Act on or before 10-10-1955 In response, the owners of all the notified properties presented petitions pointing out certain mistakes on the notified measurements and also the description of the properties under acquisition Then the matter was again referred to the Corporation Engineer for further verification and to rectify the mistakes pointed out by the respective owners Accordingly, he remeasured all the properties and prepared modified plan and valuation statement as per actual measurements of each property and other mistakes also rectified therein

The draft declaration statements have been prepared in duplicate in accordance with the modified valuation statement and the same enclosed herewith for favour of arranging publication in the Official Gazette

The modified estimated cost of acquisition amounting to Rs. 25,938/- will be met out of the Corporation funds in the current year's budget allotment

I request that sanction of Government may kindly be obtained for the said proposal authorising me to take orders for the acquisition of these properties under Section 7 Land Acquisition Act

In this connection it is to be stated that the work of extension of Octroi office will have to be undertaken urgently and completed before the close of the official year Therefore, early sanction of Government may kindly be obtained for this acquisition and communicated to this office to enable to take further needful action

In continuation of this office letter no L1 PR 24/55-56 dated 14-3-1956 on the above subject, I write to request you kindly to obtain early sanction of Government to the proposal and to communicate the same to this office to enable to take further action in the matter

In this connection it may be stated that lorries and other vehicles which bring dutiable articles as also those which transport such articles to outside stations do assemble infront of the Octroi Office and get parked all along Dr Royan road and are a source of traffic congestion Dutiable articles are very often unloaded from such vehicles for purposes of checking and through transport on footpaths blocking the way for pedestrians As it is least desirable to continue this state of affairs even for a short span of time, I submit that immediate action is called for regarding the acquisition of properties under reference and I request the favour of very early orders in the matter
